ELECTED OFFICIALS & DEPARTMENT HEADS

Councilwoman Ackerman said the NYS Library Association Empire Friends Roundtable Daniel W. Casey Library Advocate Award has been awarded to our Friends of the Library. The Orchard Park Friends of the Library was formed in 1991, and has continuously supported the Library. Councilwoman Ackerman stated that most of the people who support the downsizing of the Town have other issues with government, not the Town itself. She asked that people not rush to judgment and take the time to evaluate the impact of this issue in the two towns who have already voted to downsize.

Councilman Dietrick stated that until WalMart complies with the Towns procedures and codes, he will not support their petition. When they do comply, he will give them the consideration that is due by the laws of New York State.

Councilman Dietrick stated that he is opposed to the one size fits all downsizing that is being presented by Kevin Guaghan, and he wondered why he picked Orchard Park. Councilman Dietrick stated this is all about politics and feels it is worth a few cents more in taxes to keep the extra council members for better representation in the community and to act as watch dogs for the community.

Town Clerk Janis Colarusso asked Ms. Grenda for a copy of the piece that was handed out at the downsizing meeting as she was not at that meeting and did not know about the piece that was handed out.

Police Chief Andy Benz stated that on Sept. 24th the state is going to be paving Rt. 20A from Consumers Beverages to Freeman Road and no parking signs are going to be posted for that day.

Highway Superintendent Fred Piasecki said the Highway Department has finished the road reconstruction on Ward Road, this years CHIPS project, and are working on the Short Drive reconstruction.
